**Suicide Vaccine by James Sorrell**

In answer to the question "What is your interest in suicide prevention?" on NCSPT's web site {National Center for Suicide Prevention Training}: My interest in suicide prevention?? To END suicide!!!, [that's real prevention, isn't it??], which is possible if you suspend disbelief and take the advise found on [www.metanoia.org](http://www.metanoia.org) – 'Metanoia means: "a change of mind" ...turning around, to face a new direction...to turn toward the light. Because when you face the light, shadow is behind you.' ((<http://excoboard.com/exco/index.php?boardid=1979>)).....[Read with the kind of open mind that conquers the unknown]....."SUICIDE VACCINE": .....You don't have to believe in God to sense that there are unseen, negative forces at work against the human race; vast, heartless, loveless and unsympathetic. (If you don't believe in anything you can't see, touch or feel, you're vulnerable! Expand your horizon to understand that ALL of life is connected and has a great impact on us, whether we can see it or not!....like a virus,with the naked eye, for instance.) Fallen angels (who are JUST as real as YOU are, who hide behind our deceived ignorance of their REAL methods, who lost their "day jobs" and have nothing better to do than prey on us, and who are called "demons") get sheer delight in tricking humans into self-murder and slaughter us like slave/cattle daily (as well as other deadly deceptions such as incited, outward violence)! One such deception we call "suicide". The word "angel" means "messenger". The 'Maker of All Things' had designed angels to carry His thoughts and put them into the mind of man. The fallen angels can still place their thoughts directly into any human's mind, in that human's very own thought voice....YOUR thought voice! (Ever had an angry or impulsive thought, word or action that you knew wasn't you? We all have!!) "Suicide risk" people (and others) that don't know or ACCEPT that this tampering can be done to them are stuck thinking that was what they really wanted to do. In play also is the demon's ability to incite, to manipulate our feelings and emotions, dragging us along the bottom of our lives (depression or pain of any sort, whether physical or emotional) and setting us up for a deadly trick, often through isolation, arrogance, never-ending boredom or impulsive behavior (we are most vulnerable here!). Also, the more self-absorbed or self-centered the individual is, the more susceptible they are (involve yourself with other's needs as a defense....others-centered rather than self-centered.....LOVE is what you do for ALL others that is in their highest or best interest, anytime, anywhere, selflessly! 24/7). People with good fortune shining on them would hardly listen to a suicide thought, as out of place as it would be there and a noticeable implant into their thought process. The bad guys have thousands of lures that get most of us (like

## Suicide Vaccine

\$\$money\$\$...which took the place of Love in the USA....entertainment, sports & business....which took the place of Family, "soaps" { which robs people of emotions for other human beings }, etc.), but we can be inoculated against the fooling trick of suicide and eradicate it now that the REAL source has finally been revealed! JOIN the fight, help dispel the fog of myth that has for so long clouded the real source of a lot of mankind's miseries, bring about the end of suicide & other terrible stuff. "Light dispels the darkness!" [Protect the ones you love, and understand with the kind of open mind that conquers the unknown]...Other things the above "truth-vaccine" { a life preserver made up of words } protects us from: self-injury, anxiety { excessive worry }, phobias, compulsive/obsessive/impulsive behavior.....remember, the enemy has a lure for each one of us....like a master "fisherman", with 10,000 years of experience to use against our relative few; so it pays to be inoculated against the "god of this world"'s deceptions!) World-wide deception takes a hit when the truth sets us free!!! HELP to spread this objective truth around freely to PREVENT more needless deaths and tragedies, to PROTECT the human race,

including those you love!....."The enemy has only images and illusions behind which he hides his true motives; destroy the images and you will break the enemy; the opportunity hits all by itself." [Bruce Lee:: Enter the Dragon]...."People who don't believe that the devil walks this earth have not seen the things I've seen (terrible human slaughter). I believe that there is such a thing as true evil, and that there is true goodness." [Dr. Ronald Wright:: Broward County Medical Examiner, Florida].....For "defense" & "offense" against mankind's worst enemies, the 'Keeper of the Flame' shows how these two elements work to use the truth to melt deception & free the human race from miserable slavery to \$\$money\$\$/hate/greed-arrogance/violence/war/lovelessness.....[Defense & Offense against mankind's worst enemies] \*Defense.....2 Corinthians 10:5-b "Hold every thought captive" and make it obey God's loving ways by putting an "editor" in your head to check everything out before it becomes reality & it's too late! (including your feelings and emotions, AND continued thoughts; impulsive, negative things should be ignored, like you would try to avoid a bully)...James 1:19 "Slow to speak" (while you're checking things out & practice--->2Cor.10:5-b) & quick to listen, slow to anger; this will also accomplish--->James 4:7) (( All quotes, New Testament: GOOD NEWS BIBLE )) \*\*Offense.....EVERY human needs to raise the level of their behavior from the 'lowest common denominator' (which is where it is now; lazy or intended) to the 'Highest Common Denominator' of behavior, where it needs to be so we can ALL have a life for a change! LOVE is what you do for ALL others that is in their highest or best interest, anytime, anywhere, selflessly! 24/7 )) Are we cattle (cynically do nothing)...or human...(Unite to Fight & Win!)?? My best to you! James Sorrell [E-mail: jamesorrell2003@yahoo.com ] Please pray, daily, for the next chapter in The LORD GOD Jesus Christ's plan (this will please Jesus, the 'Maker of All Things', a lot): Psalms 122: 6-9 [GOOD NEWS BIBLE-Industrial Strength 1976 Edition] "Pray for the peace of Jerusalem: 'May those who love you prosper. May there be peace inside your walls and safety in your palaces.' For the sake of my brothers and friends I say to Jerusalem, 'Peace be with you!' For the sake of the house of the Lord our God I pray for your prosperity." In the name of Jesus Christ, Amen!.....Also, please pray that God will use the scriptural info on [www.bev.net/users/homepages/JamesSorrell](http://www.bev.net/users/homepages/JamesSorrell) or <http://excoboard.com/exco/index.php?boardid=1979> [SUICIDE VACCINE & 'Keeper of the Flame'] to end suicide & other deadly deceptions, to give a witness to mankind that God is still stronger than all, when his believers obey him by "exposing the unfruitful deeds of darkness"!!! Thank you...CaptainChurch.....Also, it is time for The REAL THING...LOVE: Love was designed by GOD for relationships between himself and his angels & humans, and between each other. You cannot "love" yourself...that is why masturbation, with all its fantasies, is sin...it is

self-centered (which is the fallen sin condition that Eve & Adam caused)! When we are saved by the Holy Spirit, we become others-centered like GOD is, and He begins to re-create us from the inside out (unlike "religion" which tries to change people from the outside in...the core is still spiritually dead and is just a fake "veneer"). People use the soulish "masturbation" excuse that they have to "love themselves first before they can love others" ...."self-love" [they usually never get around to others, in their life]....and real love wasn't designed to do that...it was only designed to be spent on God and other humans, like a water cycle! Real LOVE is what you do for ALL others that is in their highest or best interests, anytime, anywhere, selflessly (24/7)! C. S. Lewis wrote in MERE CHRISTIANITY that "it is better to forget about yourself altogether" and focus on all those you come in contact with, renouncing pride & self-centeredness, because we can easily be deceived by the enemy if we focus on ourselves....he writes "as long as you are looking down on others (putting yourself first), you will never see what is above you"! Christ said that the only law now is love! At least see to it that your neighbor (everyone) has it just as good as you do! 1 Corinthians 13:7 The real thing [love] applied never fails!!! The purpose of life is to serve and to show compassion and the will to help others. Only then have we ourselves become true human beings." Dr. Albert Schweitzer [Out of Africa].....JOIN the Good Fight!!!...All real Christians need to join in obedience and spirit to give one last shining witness to humanity before the 'Age of the Gentiles' ends, and the "tribulation" begins, when Holy Spirit-indwelted

Christians will no longer be on the earth! We are supposed to "expose the deceptive, evil deeds of darkness" Captain Church -----Topic: Mick's response to SUICIDE VACCINE "I realised recently that if I ever caused an upset with someone – knowingly or unknowingly – that I would try to handle this upset by harming myself in an effort to placate the other person. This included serious physical damage to myself and attempted suicide. Having spotted this info (Suicide Vaccine), I am now no longer going to do it and wished to let you know this. It would be better for me to confront the things I have caused and handle them. Love Mick." Teacher: The Keeper of the Flame [http://forums.delphiforums.com/KeeperofFlame]
