THE FIRST TABERNACLE

By Angelique Watkins

THE FIRST TABERNACLE by Angelique Watkins

The Tabernacle was a symbol of the visible Church of God on earth. It is the Tabernacle and its worship that David so frequently refers in the Psalms.

THE FIRST TABERNACLE

There was a Tabernacle in the camp of the Israelites previous to the erection of the one that is generally known by that name. This was doubtless the dwelling, or the headquarters of Moses, and the place where the public business of the nation was transacted.

Exodus 33:7-10: Reference To The Tabernacle

verse 7: And Moses took the tabernacle, and pitched it without the camp, afar off from the camp, and called it the Tabernacle of the congregation. And it came to pass, that every one which sought the LORD went out unto the tabernacle of the congregation, which was without the camp.

verse 8: And it came to pass, when Moses went out unto the tabernacle, that all the people rose up, and stood every man at his tent door, and looked after Moses, until he was gone into the tabernacle.

verse 9: And it came to pass, as Moses entered into the tabernacle, the cloudy pillar descended, and stood at the door of the tabernacle, and the LORD talked with Moses.

verse 10: And all the people saw the cloudy pillar stand at the tabernacle door: and all the people rose up and worshipped, every man in his tent door.

What's So Special About Cinnamon?

What's So Special About Cinnamon?

by: **Laura Bankston**

I don't know about you, but just the smell of cinnamon makes me feel warm and fuzzy all over.

My favorite cookies to make is Snickerdoodles because I just LOVE the smell of them baking. There's just something warm and delicious about it.

The sense of smell is powerful – and when my kids smell Cinnamon, they are going to feel warm and fuzzy all over because of the fun we've had in the kitchen.

But, you might be surprised to know that the history of Cinnamon goes waaaay back – it was one of the first trade spices.

In fact, cinnamon is mentioned in the Bible – it was used in the combination of ingredients used to make a holy anointing oil for the tabernacle:

Moreover the Lord spake unto Moses saying,

Take thou also unto thee principal spices, of pure myrrh five hundred shekels, and of sweet cinnamon half so much, even two hundred and fifty shekels, and of sweet calamus two hundred and fifty shekels,

And of cassia five hundred shekels, after the shekel of the sanctuary, and of oil olive an hin:

And thou shalt make it an oil of holy ointment, an ointment compound after the art of the apothecary: it shall be an holy anointing oil.

THE FIRST TABERNACLE

Exodus 30:22–25 NKJV

The ointment or oil was used to anoint the tabernacle of the congregation, the ark of the testimony, the table and all the vessels, the candlestick, the altar of incense, the altar of burnt-offering, etc.

I find two things interesting about this passage:

That cinnamon was an ingredient in this holy anointing oil

That is is called "an ointment compound after the art of the apothecary.

Does cinnamon have health benefits as well?

There are cinnamon pills for diabetes, cinnamon bark used medicinally by the Chinese for calming stomach acids, cinnamon bark being used in India for childbirth labor, and cinnamon increasing blood circulation and creating a warm feeling.

Well, didn't I start out by saying just the smell of cinnamon makes me feel warm and fuzzy all over?
