Tarot Card: The World by Universal Psychic Guild

The focus of this card is on...

World issues or world shaking events, encounters and gatherings, travel, change, risks and new opportunities, but also on restriction wall or blocks.

You will be disappointed in your inability to break free of restrictive influences that are blocking you from manifesting any of your goals. You want to liberate yourself from limitation and lack other people's problems, negative attitudes, and force confrontations.

You want to succeed in all areas of your life – your work, your dreams, everything – and you'll have an obsessive desire to liberate yourself from restraint.

You'll be wondering if you'll ever have the relationship you want, because in your mind it seems that you never manager to achieve the results you want. Your obsession or preoccupation with the past is hindering you ability to see what is really going on, but no matter how caught up or bound you feel, you can still break free.

Tarot Cards & Tarot Readings

By Mary Shadow

Tarot Cards & Tarot Readings by Mary Shadow

Over the years I have used Tarot cards as a tool to gain insight, clarity and achieve greater control over issues in life. Many people wonder how a deck of cards can tell us anything but as we study the cards we realize that they go way beyond the pictures that we see. As we use the cards we gain a greater understanding of ourselves and the world around us. We can see the cards as a journey that each of us must take and complete to master the lessons we are here to learn on the earth plane.

It is believed that Tarot Cards originated in the 14th–15th centuries. There are many possibilities as to where tarot cards come from including Egypt, France, Italy, Spain, China and India.

The type of Tarot Card Deck used is based upon personal preference. I have used the Rider Waite Tarot Deck and Robin Wood Tarot Card Deck in the past. More recently, I have experimented using the Goddess Tarot Deck. Many beginners like to use the Rider Waite Tarot Deck. One piece of advice I shall give to you regarding choosing a deck, is to use a NEW deck of cards. A used deck of cards may be carrying the energy of the previous owner and will interfere with your reading.

Traditionally, there are 78 cards in a Tarot Card deck and is separated into two parts; the Major Arcana and Minor Arcana. The 22 Major Arcana Cards of the Tarot deck symbolise the universal patterns of human nature. The 56 Minor Arcana cards of the Tarot deck is further divided into 4 suits– Pentacles, Cups, Swords & Wands. They represent the energy, emotions and activities of our daily lives.

As each tarot card has a unique astrological meaning and numeric significance, the cards can be used to gain insight, clarity, and achieve greater control over issues involving relationships, life changes, work and career, health, spirituality, dreams, and family.

Whilst, anyone can do a tarot reading, it takes commitment to be able to truly understand the cards.

May the Guides be with you always,

Mary
