The Buzz About Links – What About Yours?

by: **Martin Lemieux**

I want to discuss a little something called internal links:

www.yoursite.com/index

<http://www.google.com/webmasters/>

Pay special attention to what you should, and especially what shouldn't do!

Once this happens, the next step is PR5!

I hope we all know what happens to pages that are ranked 4/10 or better don't we? Our search engine

rankings get better!
