The Dukes Of Hazzard (DVD) Review

By Britt Gillette

In the late 70's and early 80's, television viewers fell in love with The Dukes of Hazzard, a weekly

foray into the fictional setting of Hazzard County, Georgia. Cousins Bo and Luke Duke (John Schneider and Tom Wopat) spent each episode trying to do good, while the loveable "Boss" Hogg (Sorrell Booke) concocted various schemes for making money and having the Duke boys, who always foiled his plans, thrown in jail for violating their probation (the result of a deal with the federal government to end the centuries-old Duke family tradition of bootlegging).

Joining Bo and Luke are their Uncle Jesse (Denver Pyle), a grandfatherly figure who owns the family farm, and Cousin Daisy (Catherine Bach), whose skimpy shorts coined the cultural term "daisy dukes". Along with "Crazy" Cooter (Ben Jones), the local mechanic, they create a formidable threat to the money-making shenanigans of Sheriff Rosco P. Coltrane (James Best) and the owner of seemingly every business entity in Hazzard County, J.D. "Boss" Hogg. But critics will argue that the true star of the show was the General Lee, Bo and Luke's bright orange Dodge race car with the Confederate flag pasted on its roof...

The Dukes of Hazzard DVD offers a number of famous episodes, including the series premiere "One-Armed Bandits," source of the video clips that would appear in the opening sequence of the show for much of its duration. Other notable episodes include "High Octane" in which Jesse Duke outsmarts Boss and Roscoe in his quest to win the government's alternative fuel contest, and "Route 7-11" in which Bo and Luke unwittingly become part of an illegal gambling ring until Jesse comes to save the day. Also included on the first season Dukes of Hazzard DVD are The 20th Anniversary Hazzard County Barbecue documentary including John Schneider and Catherine Bach, Dukes Driving 101: A High-Octane Salute including interviews with professional racecar drivers, and The Dukes of Hazzard: Return of the General Lee video game preview...

The Dukes Of Hazzard (Season 2) DVD Review

By Britt Gillette

One of the highest rated prime time television shows of the late 70s and early 80s was The Dukes Of Hazzard. The family friendly action series took a comic book approach to telling its tale of a family of farmers with a fast race car named the Dukes. The Dukes - comprised of Uncle Jesse, Cousin Bo, Cousin Luke, and Cousin Daisy - are reformed bootleggers who constantly butt heads with local sheriff Rosco P. Coltrane and county commissioner J.D. Hogg. With the aid of local mechanic Cooter and the bright orange General Lee race car, the Dukes are always one step ahead of the bad guys...

The Dukes of Hazzard (Season 2) DVD provides a number of famous episodes, including guest appearances by Cale Yarborough and The Oak Ridge Boys. Deputy Sheriff Cletus (Rick Hurst) also makes his first appearance in the show's second season. Boss Hogg nephew Hughie Hogg (Jeff Altman) also makes his first appearance. With Waylon Jennings's weekly narrations as "The Balladeer" (performing artist of the show's legendary, chart-topping theme song), The Dukes of Hazzard provides hours of family-friendly programming as Boss and Roscoe match wits with the Duke clan...

Below is a list of episodes included on The Dukes Of Hazzard (Season 2) DVD:
