EmpoweredParent.com Ezine
Goals

Empowered Parenting Ezine is enjoying it's 4th year of continuous online publication. Our mission remains the same -- to provide Today's parent with information, advice and how-to articles by experts in many fields, so your parenting job is manageable while you gain respect and still have fun!

Joan Bramsch is "Parents' Cheerleader!" She's also a veteran parent, grandparent, educator, writer and publisher, and she owns and administers the EP ezine which serves Parents and their families, giving encouragement, providing information, reminding all to enjoy life.

"Parenting is most adults' _other_ full-time job; it's time they were recognized and valued." She hopes to be your champion and your counselor, plus, she promises to encourage you to be the Best Parent you can be.

"I write Positive stories for children, books for parents, how-to's and parenting manuals," says Bramsch (think of branch on a tree and put an 'M' in it!). "I taught school for a dozen years, from pre-school to adult education. My husband Bill and I have five grown children – all good citizens and self-supporting, thank you, God! :) And we love to spoil our seven brilliant grandchildren."

Support & Encouragement For Parents

"Children really ARE different today, very different even from their own parents," she continues. "In my opinion, today's children are truly evolving into more enlightened individuals. Instead of using only their five physical senses, they also use multisensory skills like instinct, intuition, simply 'knowing' what comes next.

"It takes a very special dedicated Parent or Caregiver to lead Today's Child," she says. "That's why I have created _Empowered Parenting_. I want to help you all I can."

The Empowered Parenting Ezine: Great Advice for Today's Parent!

EP is delivered to your e-mailbox twice a month. Joan will share with you her family experiences – some hilarious, some not so funny, but all true! "Being a Parent is the world's most difficult and challenging job, and yet the most rewarding!"

Parent Comment: "Others, I skim; yours, I read every word!"
