## The Sopranos (Season 2) DVD Review

By Britt Gillette

In the late 1990's a new HBO original series took America by storm. The Sopranos redefined the cable drama series genre with its unique look into the family life of a New Jersey mafia kingpin. Recipient of numerous Emmy nominations in the years since, The Sopranos has built a loyal following among television viewers and critics alike.

The Sopranos focuses on the life of Tony Soprano (James Gandolfini), a middle-aged father of two and the successful head of an organized crime family. He's joined by his two kids Anthony and Meadow (Robert Iler and Jamie Lynn Sigler) and his wife Carmela (Edie Falco). Burdened by the stress of his job and family life, Tony often visits psychiatrist Dr. Jennifer Melfi (Lorraine Bracco), one of the few people outside the family that he can trust. Following a traditional soap opera template, The Sopranos provides fans with alternative view of the mafia lifestyle, one that's not all the glory and craziness of The Godfather and Goodfellas, but more like middle-class America...

The Sopranos (Season 2) DVD offers a number of dramatic episodes including the season premiere "Guy Walks into a Psychiatrist's Office" in which Tony firmly establishes himself as the leader of the New Jersey area while Dr. Melfi starts seeing a therapist of her own in order to deal with the guilt she feels for refusing to treat Tony professionally. Meanwhile, Christopher's criminal enterprises in the "boiler room" bring thug violence into a professional workplace... Other notable episodes from Season 2 include "Commendatori" in which Tony takes a business trip to Italy with Christopher and Paulie, and "Full Leather Jacket" in which Carmela uses the power of her status as Tony's wife to get a friend to write a letter of recommendation for Meadow...

Below is a list of episodes included on the Sopranos (Season 2) DVD:

## The Sopranos (Season 3) DVD Review

### By Britt Gillette

In the late 90's, The Sopranos, along with HBO's other original series with Sex And The City, took the entertainment world by storm with its dry wit and flavorful brand of drama. A hybrid of The Godfather and a normal, run-of-the-mill sitcom family, The Sopranos created a new experience for its audience and quickly developed a legion of loyal dedicated fans. Winner of numerous Emmys, the show follows the lives of the Soprano family headed by Tony Soprano (James Gandolfini), a middle-aged family man and mafia boss. Tony is joined by his two children Anthony and Meadow (Robert Iler and Jamie Lynn Sigler), his wife Carmela (Edie Falco), his therapist Dr. Jennifer Melfi (Lorraine Bracco), and a band of mafia characters too numerous to mention. Far from the glamour life often portrayed in the movies, The Sopranos is one show you won't want to miss...

The Sopranos (Season 3) DVD offers a number of dramatic episodes including the season premiere "Mr. Ruggiero's Neighborhood" in which the Soprano family continues their daily routine, completely unaware that the FBI is plotting an intricate scheme to bug their house. Meanwhile, Tony begins some plotting of his own when Patsy begins asking too many questions about his brother's death... Other notable episodes from Season 3 include "Fortunate Son" in which Tony learns that his panic attacks are partly due to genetics and past events from his childhood, and "He is Risen" in which Tony's problems with Ralphie bubble to surface when Ralphie doesn't get the promotion he hoped for...

Below is a list of episodes included on the Sopranos (Season 3) DVD:

Episode 27 (Mr. Ruggiero's Neighborhood) Air Date: 03-04-2001 Episode 28 (Proshai, Livushka) Air Date: 03-04-2001 Episode 29 (Fortunate Son) Air Date: 03-11-2001 Episode 30 (Employee of the Month) Air Date: 03-18-2001 Episode 31 (Another Toothpick) Air Date: 03-25-2001 Episode 32 (University) Air Date: 04-01-2001 Episode 33 (Second Opinion) Air Date: 04-08-2001 Episode 34 (He is Risen) Air Date: 04-15-2001 Episode 35 (The Telltale Moozadell) Air Date: 04-22-2001 Episode 36 (To Save Us All from Satan's Power) Air Date: 04-29-2001 Episode 37 (Pine Barrens) Air Date: 05-06-2001 Episode 38 (Amour Fou) Air Date: 05-13-2001 Episode 39 (Army of One) Air Date: 05-20-2001
