. Please See Contact and Reprint details at end of Article

Here, you will not have to figure it all out

To start, you need to look at TWO factors.They are 1) Strategies and 2) Tactics.

Now let's look at it in more detail.

Here's what you're looking for.

What are the really key issues that you can base your marketing strategy on?

Is there some special piece of legislation coming up that is particularly relevant?

Is there a niche that no one else is exploiting? (If there is GRAB IT!!!)

Think about which markets are most profitable for the least effort.

you can start to communicate with them.

Rank your possibly profitable opportunities by RETURN Potential profitability.

Your long-term strategy is what you have left over from your exhaustive list of the facts.

Why I like this particular system.... IT WORKS!

Always include a brief "signature" in your emails giving your name and title, address and phone, email

4.To Create A Virtual Fan Club For yourself, your product, your brandname. You can do this via

announcement lists or discussion lists, to keepothers who love you, informed on the latest events.
