"VERIUNI" – nutritional supplements. by **Borislav Kovachev**

In September 2001, SFI launched its own line of advanced nutritional supplements under the brandname, VERIUNI.

Nutrition is a multi-multi-billion dollar industry. Through SFI's Veriuni line of nutritional supplements, SFI affiliates can now share in the profits of this huge, booming marketplace.

Our top seller, Advanced Liquid Nutrition is an incredible, all-natural liquid supplement containing nearly every daily nutrient required for prolonged health — all in a single, concentrated one-ounce dose. More than 127 nutrients, 77 plant-derived minerals, 13 vitamins, 12 herbs, and 18 amino acids — all in a delicious peach flavor. And because it's a liquid, your body absorbs more of the nutrients in each dose than with capsules or tablets.

Also part of our new Veriuni line is our Veriuni Cleaning Products. Using all-natural ingredients for the ultimate in consumer safety and environmental health, VERIUNI delivers unparalleled cleaning power while eliminating dangerous side effects from the toxins found in many major cleaner brands.

The Veriuni cleaning line is manufactured for SFI by The Clean Environment Company. The Clean Environment Company's cleaning products are used EXCLUSIVELY by the EPA at Yellowstone, Grant Teton, Yosemite, and other U.S. national parks. The EPA tested numerous cleaning products. Those produced by The Clean Environment Company were ultimately selected as being the most effective
