Vacation In Milos

By Nick V.

The Greek isle of Milos, a volcanic island in the Aegean Sea, is a beautiful and little-known vacation spot in one of the most gorgeous locations in the world. Known as "the island of colors," Milos has a long history that is evident in the surrounding countryside and architecture. Near the ancient town of Milos stands a theatre dating back from the days of the Golden Age of Rome, and there are still remains of buildings and town walls. Milos is possibly best known as the site where the Venus de Milo was discovered, which now stands in the Louvre today.

Milos truly is a profusion of colors. Arbutus, orange, olive, and cypress trees decorate the island between fields of cotton and barely. Vines grow throughout the island, creating an enchanting and beautiful landscape. The island is truly "in bloom" in the months of April and May, a time that also offers beautiful weather for tourists. Every July Milos hosts a huge festival of cultural events and music, and this month is seeing more and more vacationers.

Traveling to and from Milos is easy, with daily flights to Athens and daily ferries to other shores. The island offers everything to attract tourists to vacation in Milos: pastry shops, discos, cafes, supermarkets, and jewelry stores are scattered throughout the island in convenient locations.

If you vacation in Milos, you will have more than seventy different beaches to choose from. Surrounded by water and sands of all colors, it is on the coast that you will understand why Milos is known as the island of colors. The sands range from white to black, and the waters range in various shades of deep blues and greens. The beaches are quiet and restful, with no restaurants, bars, or stereos (except during the season, in July and August).

The cuisine makes any vacation in Milos a true experience, and the variety of restaurants will tempt any tourist palate. Local delicacies include dishes made from cabbage, garlic sauce, eggplant, zucchini, potatoes, and pork. Cheese made from goat milk is a mainstay of the island, and the locally-made thyme honey is sold in shops throughout the island. If you vacation in Milos, you will be able to taste locally-made wine, as well as wine imported from the island of Crete.

Vacation In Milos

Any vacation in Milos will thrill and delight the senses. Milos is an island filled with colors, cuisine, music, and ancient mystery. The culture and sights of Milos, not to mention the glorious beaches, make a vacation in Milos perfect for anyone wanting to experience beauty and culture in an exotic and serene location. But be warned! One vacation in Milos often leads to another...and another...and another.

Take a Vacation---You Deserve It.

By Mike Yeager

A vacation is just what the doctor ordered for many people. While there is nothing wrong with working hard, it's always fun to get away. Given the low cost of airline tickets these days, many people can go almost anywhere they want. From skiing in the mountains to sunbathing next to a pool, a vacation is a great time to relax and have some fun. Whether you have a day or a month off, make the most of it by doing something that you enjoy.

While many people like to spend their vacation in a warmer climate, others like to explore the great outdoors and go on hikes. No matter what your ideal vacation is, it will allow you to leave your troubles behind and embark on fun filled adventure.

Plan Your Vacation.

If you plan to fly somewhere for your vacation, book your airline tickets early. Also, try to make your hotel reservations as soon as possible. Doing so will reduce most last minute stress. It also helps to pack as lightly as possible. If you don't know exactly what you want to do on vacation, it might help to check with a travel agency.

Keep in mind that you don't have to travel far for your vacation. Many people take a vacation in their own town. Check out some of the tourist attractions in your own city that you might have forgotten about. If you pick the right vacation for you, you will be able to fully enjoy and look forward to a great time ahead.
