Warm Your Heart and Stir Your Soul

By John Cali

Warm Your Heart and Stir Your Soul by John Cali

Hi Everyone,

This weekend thousands around the world are enjoying the premiere of the sensational new feature film, Indigo. Following in the footsteps of films like What the Bleep, Indigo is already creating an excitement that's spreading like wildfire.

It's not often I recommend to you anything not directly related to my work with Chief Joseph. And then only if I believe what I'm recommending is of the highest quality and integrity. The Spiritual Cinema Circle fits that requirement perfectly.

I heartily endorse The Spiritual Cinema Circle, as I know it will make a huge difference in your life. It already has in mine.

Membership in The Spiritual Cinema Circle is growing at an incredible rate. You'll see why when you take a peek at it.

Please read on for a special message from Stephen Simon, producer of the films Somewhere in Time and What Dreams May Come. Stephen is also the producer and director of Indigo, and co-founder of The Spiritual Cinema Circle.

In Joy,
John

Greetings,

Before now, hardly anyone got to see the best movies made each year. Now, by joining The Spiritual Cinema Circle, you'll see movies that will warm your heart, expand your mind, and stir your soul --

Warm Your Heart and Stir Your Soul

without leaving home.

I invite you to join me, Deepak Chopra, Wayne Dyer, Neale Donald Walsch, James Tywman, Kathlyn and Gay Hendricks, Sylvia Browne, and others in a very special program: The Spiritual Cinema Circle.

The program is very simple!

Here's how it works:

Each month you receive 3 to 5 features and shorts on DVD. The movies are personally selected by me and my team. These movies represent the best of spiritual cinema and art.

The movies are new films you're unlikely to see anywhere else.

The DVDs are yours to keep. You don't have to return them. In fact, you're encouraged to share them with friends and family, to help broaden the worldwide Spiritual Cinema community.

The cost of the service is kept deliberately low, so the maximum number of people can participate. If you join now, instead of the regular \$29 fee, you pay the new member rate of only \$21 per month (plus \$2.95 shipping, and a bit more outside the USA).

There's no risk — you may cancel your membership any time. And remember, you never have to return any of your DVDs, even if you cancel your membership.

If, like me, you love movies, but you find it harder and harder to go to theaters because of the violence, emptiness, and overall lack of quality and imagination that most of the current crop represents, The CIRCLE is a wonderful opportunity.

Did You Enjoy WHALERIDER or WHAT THE BLEEP?

I loved these films, and felt grateful that so many people got to enjoy them. There are many films as beautiful as WHALERIDER and as thought-provoking as WHAT THE BLEEP made each year, but almost nobody gets to see them.

Remember how you felt when you saw FIELD OF DREAMS, GHOST or TRULY, MADLY, DEEPLY? I want you to see the hidden treasures, the films that are just as moving as those classics of spiritual cinema.

As a result of my connections in the film industry and my talks at film festivals and venues around the world, every year I get to see wonderful movies that hardly anybody else gets to enjoy. I'm not exaggerating when I say that some of the best movies made every year go virtually unseen.

The major distributors won't touch the most heartfelt, soul-satisfying movies because they don't think

Warm Your Heart and Stir Your Soul

there's enough money in it for them. Even independent distributors often overlook quality films.

Remember, the mainstream movie business literally runs as much on popcorn sales as ticket sales. Big, violent action movies bring in audiences that eat those huge \$7 boxes of popcorn and those 32-ounce \$4 cups of soft drinks. That's why theater owners want these movies, and that's why Hollywood makes them.

The movies you'll see as a member of The CIRCLE are made with love and passion. They're not made to sell popcorn.

Here's how you can give yourself hours of wonderful entertainment every month, make a statement about what kind of a world you want to live in, and make a real difference in how spiritually empowering entertainment is distributed by demonstrating how big the worldwide spiritual cinema community really is.

You may be asking "What movies will I get to see?"

Joining The Spiritual Cinema Circle opens the door to a new world. You'll see movies with all the great themes of spiritual cinema:

Life after life

Enhanced powers and sensibilities

Reality and time

Visionary romance and adventures

The power of love

Movies with heart and soul

You'll get to see award-winning movies that you would probably never see otherwise. In fact, your subscription will give you access to films each month that only attendees of film festivals around the world get to see — and you never have to leave home!

You'll also get to see wonderful shorter films.

Many of the best movies made every year are under an hour long, and almost nobody gets to see them. If you think Hollywood 's prejudiced against spiritual cinema, it's nothing compared with its prejudice against shorter movies. That's unfortunate, because many great movies are made each year that are never seen because they're only an hour or a half-hour long.

Warm Your Heart and Stir Your Soul

There are lots of evenings when I don't have time to watch a feature-length movie. That's when I really feel blessed, because I have access to wonderful, deeply moving films I can see in under an hour.

Movies that inspire, heal and transform our lives.

Each movie you receive is selected for its spiritual and psychological depth and its value in enriching your life.

In addition to movies, you'll get my newsletter, full of reviews and useful information about the new world of spiritual cinema.

Play it forward, plant it forward.

The CIRCLE is a wonderful new way to advance the cause of spiritual cinema. When you receive your DVDs each month, you're encouraged to "Play it forward" by inviting friends and family into The CIRCLE to watch the movies with you.

As a special bonus, and to offset any environmental impact of sending your DVDs each month, The CIRCLE will plant a tree in your honor when you become a member of the community. Your membership becomes a way to "Plant it forward" as well as "Play it forward."

With your eyes and ears you are helping us start a revolution -- and an evolution.

It's a special kind of evolution, one you can enjoy right at home in your living room.

I hope you will join me in showing Hollywood how big the worldwide spiritual cinema community really is.

I hope you'll join me in saying NO to endless recycled, unimaginative films and YES to inspiring, moving spiritual cinema.

That's it!

For less than the cost of three tickets to the latest Nightmare on Elm Street, sequel #18 or Die Hard, version 37, you get at least 3 entertaining and heartwarming Spiritual Cinema experiences every month -- and never have to send anything back.

PLUS, you are contributing to the growth of spiritual cinema in the world. By encouraging film makers to make more of the kind of movies you and I want to see, you have a direct influence on the future of the industry.

Here's what one of our subscribers has to say about The Spiritual Cinema Circle:

Warm Your Heart and Stir Your Soul

"These movies really have been fantastic. It is an incredible deal for \$21 a month, and it can make a change in the world by promoting something different than the usual fare of violence and special effects.

"These movies have real depth, real meaning, real people in them, and can touch something spiritual and awaken it, where special effects movies leave one numb.

"I am showing them to groups of people, holding a Spiritual Cinema Night once a month on the third Friday. Response has been great!

"I encourage you to join."

Join the Circle today, and you'll start receiving your DVDs within the next 30 days. You'll be so glad you did!

Warmest thoughts,

Stephen Simon

Reach Your Soul Goals Now

By Julie Jordan Scott

Warm Your Heart and Stir Your Soul

Reach Your Soul Goals Now © 2005 Julie Jordan Scott Here is a concept which might surprise and delight you, like it did for me. First, I am a big believer in Goals: Setting them, expanding them and allowing them to manifest magically in ways I never imagined taking form as I reach them. The Goals which empower me the most are something I call "Soul Goals." Look at that word, "Soul." Here comes the concept which might surprise and delight you. When you consider a Goal that is filled with Your Soul, look at the letters that stand in the middle of the word, Soul. The letter "O" and the letter, "U". Now put those letters into words. "Oh – You!" Can you remember a time when you bumped into someone you weren't expecting to see and you were so thrilled to bump into them that your heart leapt with joyful celebration? I have done that several times – and each time I do it, my heart says those two words, sometimes paired with other words as well. "Oh, it is you! WOW! Is it? Yes, it really IS you!!" Julia Cameron wrote in *_Letters to a Young Artist_*, "There is one trick to setting goals, I think. And that is to always leave enough room for the divine to enter." When you connect Your Soul to the Divine, this is where miracles are birthed through whatever you create – from there? Celebration, delight and incredible rewards are yours. Your Soul celebrates when we settle into goals which nurture and celebrate your being, that call your destiny into fruition. Your soul celebrates when your goals are coated with authenticity and are a reflection of the gifts you have been given by a divine source. Your soul delights when you choose to focus on what is right, what aligns with you – your soul lights the way when you agree to take inspired, heartfelt action. Today, choose your soul and honor its goals.

Award–Winning–Life Coach, Writer, Speaker, Actor and Director Julie Jordan Scott has created several unique programs for you to discover how to Passionately Say Yes – and reach your Goals, live your dreams now. Check out the Fr*e*e Writing Group
