How To Write A Killer Sales Letter

By Patric Chan

I sit down and look at my notebook. Then, I put myself into the `zone'.

Web Copy – How Much is Enough?

That's how I start to write web copy that sells.

But not online. No, no, no. It all depends on the words on your site. See how powerful words are?

Keep on reading on how I write killer web copy and you can pick up any of the tips.

The first part to write a copy, you MUST be in the `zone'.

Like, I'm in the `zone' when I write this article.

That's how I get into the `zone'.

When you start your copy, your headline is one of the most important parts of the copy.

use it.

Get a swipe file of the best copy you can find.

And the last thing you need to keep in mind when writing a killer copy is this:

"What's the end result the reader will get if they buy from you?"

Now go write your killer copy.

All the best.
