**Web Development Company Has On-Line Templates for Cards, Letterhead, Envelopes,  
Rubber Stamps and Labels**

**By Charlie McHenry**

**Web Development Company Has On-Line Templates for Cards, Letterhead, Envelopes,  
Rubber Stamps and Labels by Charlie McHenry**

Future Graphics, developer of DigiQuill [www.digiquill.com](http://www.digiquill.com) an on-line, database-driven order entry front-end application for commercial printing – today announced DigiQuill Business Services (DBS). DBS, available worldwide through the company's web site enables businesses of all sizes to take control of their recurring printing needs to save time and money.

DBS enables business users to create on-line "Smart Templates" for their business cards, letterhead, envelopes, labels and rubber stamps. The templates are then used to create the final images used by printing companies to fulfill the order.

"The strategic use of Web sites and email promotions has already reduced commercial production and printing expenses for savvy companies," said David Jeppesen, founder and CEO of Future Graphics. "Now businesses can take charge of their recurring printing needs and save money and time. Using the tools available at [www.digiquill.com](http://www.digiquill.com), businesses can create and proof their own orders for recurring printing jobs, then have the production images sent to the printing company of their choice. Need to change printers? Take advantage of a special promotion? No problem. DigiQuill's tools enable business owners to maintain complete consistency while shopping for the best price and service."

The DigiQuill system is unique in the printing industry, and it produces thousands of orders per day for dealers, and their satisfied customers.

Privately held Future Graphics is located at 2630 Aldersgate Road, Medford, Oregon 97504, the company can be reached at (541) 770-9500 or via email [Support@DigiQuill.com](mailto:Support@DigiQuill.com).

## **Make Your Mark with Rubber Stamps**

**By Robb Ksiazek**

### **Make Your Mark with Rubber Stamps by Robb Ksiazek**

How do you make your mark? With your own collection of rubber stamps, you can add your own personal touch. Design your very own specialty envelopes. With your collection, mark your important documents with "confidential" or "original document." Many businesses find stamps a very convenient, low-cost alternative to some of the more elaborate but unnecessary items that serve the same function. Personalize your greeting with a rubber stamp and make your mark.

Our merchants can also assist you in finding just the right envelope for your needs. Do you need 6x9 window envelopes, or maybe even double window envelopes? If so, our merchants have what you are looking for. We can assist you in finding the right packaging for your mailers. Whether you are sending videos, photos, or important documents, we can help you find the right envelopes.

Enjoy a professional look with an added touch of convenience with your own label printer. Label printers can be used through your computer software by the click of a mouse. Imagine not having to write all of those addresses by hand. Imagine the time saved by printing your own labels.

Robb Ksiazek is a successful author and publisher for <http://www.checks-4u.com>. He has researched and written hundreds of articles and can simplify your online search by recommending merchants for the best value and selections in business or personal checks, address labels, rubber stamps and envelopes.
