**Wedding Planning Organizers—A Memorable Day**

**By Wy Williams**

Most wedding planning organizers would tell that as the wedding date draws near, the tight

organizing begins to unravel. No one can quite explain it, but it happens. I'm sure that stress has a lot to do with it, among other things.

The Master Wedding Planning Guide is loaded with step-by-step guidance through the really challenging times. It is jam packed with practical, down-to-earth wedding information that will make your wedding day really special.

You are a beautiful bride and you should carry or wear something old, something new, something borrowed and something blue.

It's a time-honored wedding tradition that will bring the bride good luck. This book will give you some fantastic ideas concerning this tradition.

Writing your own wedding vows is an excellent way to express exactly how each of you feels about the other. Most wedding vows commonly used are very lovely but they don't always get the job done for that special couple.

Many couples choose to write their own vows, and they should be encouraged to do so. This book gives special ideas to make those vows unforgettable.

Young children add a special innocent touch to a wedding. They can also liven up the wedding with unexpected antics.

Always consider the age, maturity and predictability of a child before including them in the wedding party. This book gives you great ideas on the ways that children can participate.

The best man traditionally offers the first toast at a wedding reception. His toast shows his respect toward his friendship with the Bride and especially the Groom.

## Wedding Planning Organizers--A Memorable Day

The first toast also reveals intimate and often embarrassing details of the couple's courtship. The book gives wonderful suggestions for the best man. It also gives him ideas for the perfect wedding gift.

How about the area of cost? This book is crammed with cost saving ideas you wouldn't have thought off. You will be thoroughly satisfied with the numerous suggestions made.

Remember, this really is an experience that should be savored. Plan an organizing party night. Have all the participants over.

Parents, Grandparents and all. Download this book and put together a detailed powerpoint plan of what everyone is expected to do to make this a special day for all.

94% of over 11,000 couples strongly agree that this book has helped make their special wedding day fun, exciting and memorable.

This book leaves no stone unturned. What are the questions that you must ask the photographer, caterer, band, videographer, florist and the many other people associated with your wedding?

Have you thought about a timeline? What about the order of events on the day? Who is supposed to do what? Has that been ticked or marked as done? Sounds like a lot to do! This book will take the stress out of your planning and make it an enjoyable experience.

You didn't think the wedding planning organizers did so much work did you? A recent survey has shown that marriage is no longer preferred in the majority of US households. A mere 6 years ago married couples stood at 52% of American households. Today, that figure has been whittled down to 49.8%. Make your wedding day memorable and special to all. This book will help you to do just that. Grab the link here!

### **Wedding Planning Are Your Steps To Heaven**

**By Paul Thomas**

Wedding planning, do you actually need it? Before you stand in front of the minister, there are thousands of things to get done. There are to be made decisions concerning wedding favors, wedding rings, wedding invitations and wedding accessories. And what about your honeymoon? Where should you travel to? Before anything else you most start out with getting your wedding invitations send I good time before the wedding takes place. You can find information about wedding invitations online, both concerning layout and wording.

You got to think planning. Try a search on the internet for wedding planning. You can find information in abundance. Anything you need is to find: wedding flowers, wedding music, wedding photographers, etc.

## Wedding Planning Organizers--A Memorable Day

You need to make a very detailed wedding plan because if the right things are not done on the right moment you will get sidetracked and loose control. Get the wedding process down on paper step by step and stay on top of the situation. With a plan in your hand you can relax and even enjoy the preparation for your grand wedding day.

If you own a bridal notebook you can keep track of your process from start to finish. Begin your wedding planning several months before the actual wedding to make sure you got time to correct any mistakes that can happen. The first important step is to get those wedding invitations send. Always think ahead. For example: if you have ordered your wedding invitations at some shop, it can take longer to receive them than you think.

If you are forced to make wedding planning on a budget, and need to save money on your shopping. You might consider making your own wedding invitations, maybe even make the wedding flowers yourself, and cut back on expectation to where your wedding party is held. The great thing about doing those things yourself is that your wedding will get a more personal touch, which you can not buy. Great idea if you want a unique and special wedding.

Wedding planning is the most important step to stay on track from start to finish. Do not be nonchalant about the wedding planning issue. Make sure your special day will be perfect.

Thank you for your time.
