What many horse owners don't understand is often the handler, not the horse, is causing the problem.

## Why The Horse's Eye's Are So Important When Training Him!

That being said, that is the first consideration in unscrambling the horse's ill behavior.

As a matter of fact, both horse and rider are on edge.

So it is with the rider and horse. Maybe not to that extent, but still it happens.

Soon, the horse's demeanor will change and the result will be a more relaxed, fun to ride horse.

This is but one example of how us humans can actually be the reason the horse does or does not do
