**It's Your Life – Take Control**

**By Darren Robinson**

## Write Your Life

Write down the things that MEAN THE MOST TO YOU.

If your job sucks, don't write "job".

If your husband is a fool, don't write "husband".

If your cat means more to you than world peace, write "cat".

If you are overweight or pregnant, don't be afraid to write "athlete".

If you are lonely or isolated, don't be afraid to write "marriage".

If you drive a taxi, don't be afraid to write "internet millionaire".
