You Don't Have To Be Perfect

By John Colanzi

You Don't Have To Be Perfect by John Colanzi

I don't know about you, but I wasted a lot of time in my quest for freedom. I worried about making mistakes. That was my biggest mistake of all.

You spend your youth being graded by your teachers. You take endless tests rating your performance.

Your peers rate your dress and your actions. You are being conditioned to live in a world of A's, B's and C's. You judge your worth by the opinions of others.

How do I know?

I've been there.

Every time I wanted to make a change, I would hesitate. What if I made a mistake? What if I looked stupid.

You know what? It doesn't matter.

If you want to accomplish your goals, you must decide that it's ok to make a mistake. You are not being graded anymore.

No matter what you do, some people will not approve.

Once I realized that, I was free to experiment. I could test new ideas. The feeling was liberating.

I don't have to be perfect and neither do you.

You Don't Have To Be Perfect

Do you want to write articles to promote your business? Do it.

What if it's not perfect?

It doesn't matter. You'll get better with practice.

I write at least an article a week and I still haven't got it right.

I make spelling errors, use poor grammar, but I keep

plugging. I'll keep at it until I get it right.

I just wrote a free ebook. So far I've revised it 5 times and will probably have to revise it another 100 times.

If I waited for it to be perfect, it still wouldn't be in circulation.

Don't wait to be perfect. Start from right where you are and make corrections as you go.

In the words of Theodore Roosevelt,
"Do what you can, with what you have, where you are."

Why cheesecakes make the perfect gift. by Stephen Whiteside

Cheesecake makes a perfect gift. There are guidelines that should be followed when choosing the perfect gift. For one thing, the gift should be chosen specifically for a certain individual whose tastes are known to you. If you are not well acquainted with the recipient, you must give a general-type of gift that will not offend. Another guideline for choosing the perfect gift is that the gift must fit, and most important, if the recipient doesn't like the gift, it must be passed on to someone else.

Do you know anyone who doesn't like cheesecake and wouldn't consider it the perfect gift? For gift-giving occasions the ultimate gift is one that is adored and can be shared with others, and this

You Don't Have To Be Perfect

makes cheesecake the perfect gift. Even if the recipient is on a low fat, no fat, no sugar or no carbs diet, cheesecake is the perfect gift because it can be made to adhere to almost any diet by carefully choosing the ingredients. In today's society there is almost no limit to the availability and variety of ingredients that go into a cheesecake.

Can you imagine the pleasure on the face of that special someone on whom you have bestowed a freshly made cheesecake? Add a few different toppings such as a variety of fruit toppings and streusels to adorn the cheesecake and you have created the perfect cheesecake gift. There are different varieties of cheesecakes such as the original New York cheesecake, which is probably the most well known of all the varieties.

Create a cheesecake in your own kitchen and present it in a special dish to a special person. When you see the pleasure on their face, you'll know that cheesecake makes the perfect gift.
